## COMMUNITY EDUCATION CLUB AND ORGANIZATION GUIDE

## New community guide being prepared

Plymouth Community Education & Recreation is putting together a new Community Guide, with updated information about local government, churches, organizations and clubs, and child-care options.

The guide is meant to be a comprehensive listing of community resources. A similar guide was published in the past, though not in recent years.

The guide will be finalized by the end of August, but there's still time for clubs or organizations to be included. Send information via e-mail to [commedrec@plymouth.k12.wi.us](mailto:commedrec@plymouth.k12.wi.us), call (920) 892-5068 or stop by the office at 125 Highland Ave.

To learn more, visit [www.plymouth.k12.wi.us](http://www.plymouth.k12.wi.us) for a draft of the 2010 Community Guide.

Skilled Nursing and Rehabilitation Redefined!

"I think the therapy department is very, very good. 100%! I'm very pleased with the attitudes of all of the staff who have been involved with my care. The nursing department, especially, is to be commended for their communication with my family, as well as myself, throughout my stay at the nursing home. And one can't forget to mention the good food!"  
-Current Resident of Plymouth Care Center

"It's a wonderful place to be. I have a sense of independence here. Plymouth Care Center has lots of entertainment and lots of activities! I was in other places that didn't offer nearly as many things to do. It seems that here there is always something going on. I especially like the musical performances."
