 Wednesday, February 15, 2012

Some of the things you'll discover at the Elementary/Middle School:

- 3rd grade Daily Five Reading/Writing Program
- Students showcasing their skills with handheld devices to enhance their reading and math skills
- Blogs, Blogs, Blogs—up to the minute classroom news and pictures
- Vibe technology—student landing pages
- Fun at Camp Anokijig—archery, fishing, boating, team challenge, nature crafts, and horseback riding
- Simple Machines at Work Demonstrations
- Expression Painting slideshow
- Our extremely flexible, child-centered 3-year-old preschool program and before/after school day care
- Students showing how to plan, write, shoot, edit, and produce videos

The High School will showcase the following:

- Robotics and Auto-Cad possibilities within our Technical Education program
- New restaurant style kitchen and Pro-Start program within Family and Consumer Education (student demonstrations)
- The possibility to earn over 30 college credits on-site with ELG HS faculty
- Math content combined with technology in Promethean demonstrations
- Science lab setups in Physics and Biology
- Demonstration of the Distance Learning room for class elective options
- Explanation of tutoring services available in math education
- The world of Agri-science—from hydroponics to butter-making
- The fine arts—discover why ELG has such a high percentage of student involvement in these areas

Sneak Preview Event at the High School
 beginning at 4:30 pm; sessions every 1/2 hour until 7:00 pm
 Technology team members will demonstrate and offer "hands-on" guidance for the iPad, Android Tablet, Kindle Fire, Nook, and the Netbook. Be sure to attend if you have questions on any of these devices or the newest technological advances at Elkhart Lake-Glenbeulah Schools. Parents, students, and everyone interested in the ELG schools are invited to attend.
